The Ch’an Academy\* extends an invitation to you to learn the tradition of Sumi-e painting with internationally recognised Master Andre Sollier.

Sumi-e is an ancient form of meditation practice, a method of the mind to develop great concentration, happiness and peace.

Each year Master Sollier selects a theme for students. This year students will paint *‘The Life of Siddhartha Gotama, the Buddha’* in Nine Story Paintings.

Master Andre Sollier is assisted by Jan Bennett.

As classes are limited to 6 places, preference is given to persons wanting to develop these meditation skills using the four friends – ink, brush, stone and paper.
